C.F.R. § 63.63 for the Emergency Discontinuance and/or Impairment of Service, WC
Docket No. 18-240**

Dear Ms. Dortch:

Puerto Rico Telephone Company, Inc. ("PRTC"), by its attorneys, submits an errata to the Application for Authority for Emergency Discontinuance of Service on a Temporary Basis filed on August 3, 2018.¹ The filing included an Attachment that purported to identify the identity and location of *[begin confidential information]* *[end confidential information]* nodes where telecommunications service facilities suffered damage as a result of Hurricanes Maria and Irma. PRTC recently discovered that due to a clerical error, the first page of the Attachment was not included. PRTC is filing this errata to submit the accidentally omitted first page. Exhibit A contains a list of *[begin confidential information]* *[end confidential information]* nodes that were inadvertently omitted from the list of nodes provided in August 2018.

Please contact the undersigned with any questions.
